COMMUNICATION

This is in response to the papers filed 07 October 2004.

On 25 April 2003, applicant filed international application PCT/KR03/00849, which claimed priority of an earlier Korea application filed 26 April 2002. A copy of the international application was communicated to the USPTO from the International Bureau on 06 November 2003. The thirty-month period for paying the basic national fee in the United States expired on 26 October 2004.

On 07 October 2004, applicant filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. 371(c)(1) and executed declarations.

The declarations filed 07 October 2004 are improper because they do not list all of the inventors.

This application is being forwarded to the United States Designated/Elected Office (DO/EO/US) for further processing in accordance with this decision, including preparation and mailing of a Notification of Missing Requirements under 35 U.S.C. 371 (Form PCT/DO/EO/905) indicating that a proper oath or declaration in compliance with 37 CFR 1.497 must be filed.
